Good Afternoon All,

I hope everyone is preparing for an awesome Thanksgiving with great beer, food and family.

As you read, we had a spectacular meeting at F.X. Matt Brewing Company. The turnout was absolutely phenomenal with a full capacity house. That means a huge donation was made by the Matt Family (who solely sponsored the entire meeting) to support your MBAA-WNY scholarship fund! A very heartfelt Thank You to F.X. Matt and Jim Kuhr !

We are also in need of a host for the first meeting of the New Year, Please let me know if you are interested. Ithaca Brewing has offered to host the May meeting in their new facility.

Please also review the Scholarship information that was posted on the MBAA WNY page. You MUST have your applications in by the end of the year ! Also note the addition of the new engineering class !! Please see the link provided below.
