Top 10 OSHA Brewery Inspection Citation List

Overview

OSHA has increased the number of inspections it makes to breweries in recent years. As a result, a variety of citations and (in some cases) penalties have been assessed to breweries in the United States. This Toolbox Talk takes a look at the top 10 violations OSHA has found in breweries and the current associated fine for each.

NAICS Code: 312120 Breweries

Listed below are the standards cited by Federal OSHA (Occupational Safety and Health Administration) for the specified NAICS (North American Industry Classification System) Code during the period of October 2019 through September 2020. Penalties shown reflect current rather than initial amounts. For more information, see [definitions](#).
