Lottery Drawing

Discounted registration rate for districts won through a lottery drawing.

- **Entry**
 - Districts must apply to enter the lottery drawing for the discounted registration rate.
 - Districts must apply for the lottery by **December 31** of the preceding course year.
- **Winners**
 - Three lottery winners are awarded for each course.
 - Upon winning the lottery, the district agrees to fund 75% of the course registration fee for their chosen recipient.

Seat Request Process

Districts can request the number of seats to be reserved for a course at the full registration rate.

- **Requesting Seats**
 - A notification will go out to districts roughly 12 months prior to the start of a course asking for their needed amount of saved seats.
 - Districts will have about two months (deadline will be indicated) to respond with their requested number of saved seats.
- **Confirmation and Payment**
 - Four months prior to the start of a course, the names of the individuals taking the saved seats and payment for their registration must be provided to Master Brewers.
 - If names and payment are not received, the district will forfeit their saved seats and they will become available for purchase.
