Ontario Technical Conference 2017

Outline for Safety Panel at Master Brewers Technical Conference

Location: Westin Bristol Place Toronto Airport Hotel, 950 Dixon Road, Toronto, Ontario
Date: Thursday, January 26, 2017 at 3:20pm – 5:00pm

Main Topics for discussion:

Safety requirements – overview of Ontario laws and regulations
Safety cost and benefits.
Safety culture vs compliance
Safety support services available from MBAA and others.

The focus of discussion will be safety in the brewery including responsibility of the operation supervisors and employees. Real examples will be included, where possible. Audience members will be encouraged to ask questions.

The safety panel members are:

Stephen Harkness, P.Eng., Consulting Engineer, Cemcorp Ltd.
Joshua Kearley, Beverage Protect, Benson Kearley IFG
Jonathan Crawshaw, Brewing Technical Specialist, Sleeman Breweries
Gary Nicholas, Brewery Safety and Packaging Specialist from MBAA, USA
Jennifer MacFarlane, CHSC, Workplace Safety and Prevention Services,
Wagish Yajaman, Occupational Hygienist, Workplace Safety and Prevention Services.

We plan to include handouts for participants with information about where they can get additional training and support.
