Uncle Sam, in this instance, is truly representative of **Jamison Users**, in that they all refer to their **doors** with an expression of **satisfaction** and **pride**. Confirm this statement by asking one—we will supply you name and address of one near you.

Jamison users exceed those of all other makes combined and **over 50%** of our business is **repeat orders**. Such orders, being based on actual performance, proclaim most convincingly the merit of **Jamison Doors**. Our catalog will enlighten you—one order will convince you.

Ask for the catalog now.

"FOOLS LOOK AND LAUGH"

Know Ye All ~
That "Corrective" is a scientific Preparation to correct Your Brewing Water by supplying the necessary Mineral Salts and essential elements lacking therein ~

The great results obtained by its use are as follows: It increases the yield; ~ Insures perfect hot and cold break; ~ Promotes a healthy and vigorous Yeast growth, thus producing a brilliant, "full-mouth" Beer of "chill-proof" character. ~

Prepared individually for each case according to Water Analysis. ~

Central Products Co.
1352-60 Wells St.
