

Education Committee MBAC Education Committee Scholarship

The Education Committee is offering a scholarship to either two week MBAA brewing or packaging courses in Madison, Wisconsin. We are utilizing the same application form as for the MBAA International Scholarship offered by the MBAA mbaa.com/scholarship/scholapp.html . However, our proposed eligibility will be slightly different than for the MBAA International scholarship as follows:

	MBAA Intl Scholarship	MBAC Education Scholarship
Current member	Yes	Yes
Employed in brewing or Malting	Yes	Yes
Years employed	>5	NA
Two active Members Signatures	Yes	Yes
Deadline for Malting Course	Aug. 1st	Jan. 1st
Deadline for Packaging	Jan. 16th	Jan. 1st

Successful candidates for the MBAA International scholarship will not be eligible for the District Ontario scholarship.

The value of the scholarship is approximately CDN\$3650 which includes tuition and 2/3 board. Applicants must be committed to financing all other ancillary costs, including transportation, involved with the course.

We encourage all applicants to apply for **both** the District Ontario and the MBAA International scholarships. The essay questions are identical and this will increase the chances for applicants to receive a scholarship with no extra burden.

Applicants for the MBAC District Scholarship should apply by sending their application to:

MBAC Education Committee
C/O Joel Manning
300 Midwest Rd.
Toronto, ON M1P 3A9
Fax: 416-759-9054

Winner of the scholarship will be announced at the Ontario Technical Conference in January.

MBAC Education Scholarship

Brewery Packaging Technology
 Brewing and Malting Science

Name _____
